

Durham Rotary Harvest Festival 2022

WELCOME

Due to the Covid-19 Virus we had to change the format of our car show. This year we are holding a show and shine event without trophies and raffle prizes. We are asking for a \$20 donation to the Durham Rotary Charities. We appreciate your support and hope you enjoy the day

We would like your contact information for next year's show and ask that you complete the bottom part and turn it in to the cashier in the food area.
